A NEW CREPERIE BRINGS A TOUCH OF PARIS TO CLAREMONT

Like to get on first name terms with your food? Crepe Cherie is your place. The new addition to Claremont's cafe scene is offering sweet and savoury crepes with monikers like Jean Pierre, Olivier and Isabelle. Très French. For savoury crepes, think fillings like char-grilled chicken, Angel Bay beef or smoked salmon. Sweet teeth can stick with the signature dish, Crepe Cherie, made with vanilla custard, lemon and sugar dusting. The dark wood interior harks back to 1930s Paris. Strong coffee is mandatory. *Crepe Cherie, Maude Jackson Lane, Bayview Centre, Claremont, (08) 9383 1880.*
